Please stay in your car and encourage your child to be ready to get out when the teacher comes to get him/her. If you are waiting for other families to drop off ahead of you, please leave space for them to back out. Please be patient at carpool time.
- Gently remind your child that the teacher will help them out of the car at school
- Your positive and trusting attitude will go a long way.
- Please leave all personal items including toys, stuffed animals, jewelry, security blankets, etc. at home.

Please label EVERYTHING with your child's name!
